OUR FOCUS

Children are our most precious gift from God. As parents and teachers, we are the child's first playmates and educators. By stimulating and challenging their minds and bodies in the process of learning, we have significant role in determining their growth, intelligence and well-being. It is through the tools we offer them that children learn to test, explore and master their world. Our focus at Kingdom Kids is the children.

What we expect of your child is that he/she comes to school and is himself/herself. What we expect of you as parents is that you read the operating procedures in the handbook and in supplemental notes and newsletters that we send you, and that you feel free to be a part of the school. We welcome suggestions, comments and constructive criticisms, as well as financial and moral support.

At Kingdom Kids, we hope to minister to your child as a whole, meeting spiritual needs as well as promoting mental, physical, emotional and social well-being. It is our prayer that your child's first school experience is fun and exciting, placing within him/her an eagerness to learn.

Kingdom Kids Preschool/Playschool admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, or scholarship programs. We are not equipped to take children with special needs. We would be happy to recommend other agencies that have the ability to help special needs students.
