We, the congregation of First Presbyterian Church, believe in the ministry of Camp Spalding because we have seen the good work begun in Christ's name in the lives of our students. To that end, we will make a way possible for every student to attend summer camp and winter retreats that would like to attend, regardless of their family's inability to pay. A family member or sponsor must be regularly involved in the church (worship, children's activities, etc.) and a scholarship request must be submitted within the deadline set by the Scholarship Committee (made up of elders and staff of Children's Ministry). Exceptions can be made by the Director of Children's Ministry.
